Benefiting 12 Oaks Foundation

Our mission is to provide a resource that will help defray the cost of sports and community programs for children of families suffering financial hardship. Working with local organizations, the 12 Oaks Foundation provides grants to families in need so their kids won't have to miss some of the best parts of childhood. Funds will be awarded based on financial need, with special consideration given to children in families coping with cancer. Over the past year, 12 Oaks has provided grants helping dozens of kids stay active in the activities they love.
